HELPING FAMILIES BUILD A BRIGHTER FUTURE

## FACT SHEET

# Family Supported Living

### Our Service

Our Family Supported Living service provides parents with wrap around support that some family's need to care for their children safely in the community whilst retaining their independence.

Drawing on over 25 years' experience in Family Services, we offer safe, high-quality independent apartments alongside tailored intensive support that helps families build confidence, strengthen skills, and care for their children.

We work alongside parents and carers to develop the practical skills and knowledge that they need to ensure that their children's needs are met, that they safeguard their children from harm, manage their home, and move forward positively and independently as a family.

### Tailored Support for Families

Every family receives support based on their individual needs and circumstances. Support is planned and reviewed regularly with the family and the Local Authority.

### This may include:

- A tailored family-centred support plan
- Keywork to build parenting, daily living, and independent living skills
- Responsive support to prevent difficulties from escalating
- Family Group Decision Making Meetings chaired by our qualified Social Workers to develop family owned safety plans
- Practical Support to develop routines, boundaries and confidence in their parenting
- Guidance to support health, wellbeing, and community integration
- Signposting to access other services that may be helpful

### Support Team

Families are supported by a skilled and experienced team who are available as needed.

- Qualified and experienced Support Workers to provide keywork and practical support to the families
- Access to a multi-agency team, offering specialist advice and interventions where appropriate
- A senior manager on call for additional oversight

## Accommodation

Families live in high-quality, independent and studio apartments designed to feel safe, comfortable, and homely.

- Independent, fully furnished apartments
- Suitable for family living
- Secure environment with safety measures in place
- Access to outdoor play areas

## Training and Development

Families can choose to access training and development opportunities from qualified teachers to build skills, confidence, and future opportunities.

### This may include:

- Independent living skills
- ESOL qualifications
- Employability and personal development courses
- Individually tailored education and training packages
- Functional Skills in Maths, English, and Digital Skills

*All training and education opportunities are optional.*
